Declaration

☒ **Basis:**

If the applicant is filing the application based on use in commerce under 15 U.S.C. § 1051(a):

- The signatory believes that the applicant is the owner of the trademark/service mark sought to be registered;
- The mark is in use in commerce on or in connection with the goods/services in the application;
- The specimen(s) shows the mark as used on or in connection with the goods/services in the application; and
- To the best of the signatory's knowledge and belief, the facts recited in the application are accurate.

And/Or

If the applicant is filing the application based on an intent to use the mark in commerce under 15 U.S.C. § 1051(b), § 1126(d), and/or § 1126(e):

- The signatory believes that the applicant is entitled to use the mark in commerce;
 - The applicant has a bona fide intention to use the mark in commerce on or in connection with the goods/services in the application; and
 - To the best of the signatory's knowledge and belief, the facts recited in the application are accurate.
- ☒ To the best of the signatory's knowledge and belief, no other persons, except, if applicable, concurrent users, have the right to use the mark in commerce, either in the identical form or in such near resemblance as to be likely, when used on or in connection with the goods/services of such other persons, to cause confusion or mistake, or to deceive.
- ☒ To the best of the signatory's knowledge, information, and belief, formed after an inquiry reasonable under the circumstances, the allegations and other factual contentions made above have evidentiary support.
- ☒ The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statements and the like may jeopardize the validity of the application or submission or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true and all statements made on information and belief are believed to be true.

What Mental Health Providers Can Expect From the Quality Payment Program

BY THERAPYNOTES, LLC ON NOVEMBER 29, 2017

The Centers for Medicare and Medicaid Services (CMS) has established incentive programs to encourage Medicare providers to go above and beyond to provide quality care. In 2006, CMS introduced the Physician Quality Reporting System (PQRS) to allow providers to report on the quality of care provided to Medicare beneficiaries. Under PQRS, those who did not meet established reporting requirements were subject to [a negative payment adjustment](#) to encourage data reporting.

5 Ways to Boost the Security of Your EMR

BY THERAPYNOTES, LLC ON NOVEMBER 22, 2017

Electronic Medical Record (EMR) providers take extraordinary security measures to protect your data that are outside of the capabilities of the average person. Heavily secured data centers, full database encryption, powerful firewalls, and activity logs help to protect your electronic records from breaches and suspicious activity. Plus, automatic onsite and offsite backups ensure that your data is always secure and accessible, even in the event of natural catastrophe.
